TEACHER INFO
Akhtiar Zahidi

Mr Akhtiar Zahidi is a guitarist and audio engineer, with more than 10 years of teaching experience at higher education level. He is also a gold medal winner for the song, "Anon". Akhtiar teaches music and audio engineering at ICOM.

ABOUT THE WORKSHOP

Students will learn how to set up for recording, identify equipment, signal flow, and explore common home studio recording practices.

BENEFITS

At the end of the program, students would be able to:

- Be familiar with the types of home studio recording equipment and systems
- Explain the standard operating procedures in a recording process
- Apply recording skills featuring over-dubbing, doubling, editing and layering of instruments and voices.

EQUIPMENT NEEDED

- Any smart device, laptop or desktop (Windows or Mac)
- Speakers and a microphone (Built-in or External Microphone)
- A webcam
- Zoom
